The President of EMAS has invited APMF to become affiliated with them. Affiliation was at no cost, and APMF members can now benefit from a 10% discount should they wish to join EMAS. EMAS members benefit from free electronic access to Maturitas. EMAS will also publicise our meetings on their web site.

If you have any questions regarding the APMF please [contact](#) us.

The President Elect Dr. M.A. Corazon Zaida was able to shift the treasurer office of APMF at Philippines this year. A special APMF Session was organized by President Dr. Chua at International Congress on Menopause in Taiwan (Regional meeting of International Menopause Society) on 4-6 December 2015. The theme of the congress was "Changes in the Management for Change of Life". Dr. Takeshi Aso from Japan, Dr. Chua Yang from Singapore, Dr. Yu Qi from China and M.A. Corazon Zaida

from Philippines discussed about various dilemmas and MHT issues in Asian Menopausal Patients.

**APMF governing council meeting** was held on 5<sup>th</sup> Dec. 2015 where office changes and new policy matters were discussed and all APMF countries were encouraged to take an active participation in forth coming conference at Singapore.

Next APMF Council meeting will be at Vietnam in April 16-17, 2016.
